## Do Your Tires Save or Waste?

IN these days of urgent conservation the wasteful tire is as out of place as meat on Tuesdays and wheat on Wednesdays.

Equip with tires that save, in tire mileage, tire life, car life, fuel and real money.

# Firestone FABRIC TIRES

CORD Tire research has brought forth notable improvements in Firestone Fabric Tire construction, particularly—

① The increased thickness of the pure gum cushion between tread and fabric adds resilience, defends the body of the tire from shocks and bruises, gives greater riding comfort and longer car life.

② More rubber between fabric layers gives greater elasticity and protection against friction.

③ A perfect and firm seating of the tire to the rim is the result of the reinforcement in bead and side wall.

④ The tough, wear-resisting tread of greater thickness adds more miles of travel. Firestone Tubes, Tube Patches and other accessories in your equipment save tires, time, troubles. No wasteful delays. Keep on going.

### AMERICAN LEAGUE

(By Associated Press.) BOSTON, May 31.—Boston yesterday took the morning game, 9 to 1, battle from Gregg here yesterday.

and Washington the afternoon game, 4 to 0. Boston made five runs in the third inning of the morning game on three hits off Shaw and three errors behind him. Scott doubled three times and knocked over five runs. McCabe pitched against Ayers in the afternoon game. Ayers had a good day, holding the leaders to six hits. It was McCabe's first start for Boston. The second base play of Shean and Morgan was brilliant.

(By Associated Press.) CLEVELAND, May 31.—An infield hit by Schalk, Schellenbach's sacrifice, Liebold's out and Murphy's infield hit, gave Chicago a 4 to 3 victory in 11 innings yesterday morning. Cleveland knocked Williams from the box in the second inning, but Schellenbach stopped the locals. Four of the seven hits made off Schellenbach were gathered by Pitcher Ensmann.

(By Associated Press.) NEW YORK, May 31.—New York made it three straight from Philadelphia, Caldwell winning a pitcher's game and will be our for 10 days.

### NATIONAL LEAGUE

(By Associated Press.) PHILADELPHIA, May 31.—Batting Geschger from the box before the end of the second, New York broke its losing streak at the expense of Philadelphia yesterday afternoon, score 6 to 3. Watson and Tinsup blanked the Giants in the last seven innings. Demaree kept the Phillies' hits scattered except in the sixth when the locals bunched three singles with Cravath's double, two runs resulting. The morning game was postponed because of rain and will be played as part of tomorrow's double-header.

(By Associated Press.) PITTSBURGH, May 31.—The Pittsburghers backed up Pitcher Miller in faultless style yesterday morning while he was holding St. Louis to four hits, and won 8 to 0. The visitors got only one man to third. Packard was hit hard in the fifth inning, when he was relieved by Tuero, who was unable to stop the Pittsburgh batsmen, nine men going to bat in this inning, five scoring on four hits and two bases on balls.

(By Associated Press.) PITTSBURGH, May 31.—St. Louis split a double-header here yesterday, the home team winning the morning

game 8 to 0 and the visitors taking the afternoon game 4 to 0. Effective pitching by Doak brought victory to St. Louis in the latter game. Harmon was hit hard in the first inning when three singles and a wild throw gave the visitors three runs.

(By Associated Press.) BROOKLYN, May 31.—Boston won both ends of the holiday double-header from Brooklyn yesterday by scores of 2 to 1 and 4 to 3. Wickland drove home both Boston runs in the first game with a double and a triple. Nehf would have scored a shut-out but for a wild pitch.

(By Associated Press.) CHICAGO, May 31.—Chicago, by defeating Cincinnati 2 to 1 in the afternoon game broke even on the holiday bill, the visitors having won the morning game 9 to 6. The work of Jim Vaughn was the deciding factor in the afternoon game. His pitching was superb. He struck out twelve batsmen and allowed only six hits. His three base-hit which preceded a triple by Flack scored the winning run. The game was marked by an assault on Catcher Killifer by Outfielder Earl Neale. Breasler, in the seventh inning hit a little pop-up in front of the plate. Killifer tried to catch the ball and missed it and it went foul. Neale, who was coming up to bat, claimed it a fair ball and said that Killifer touched it before it went foul. Words were exchanged between the players and Neale attacked the catcher, threw him to the ground and then hit him in the face several times. Killifer tried to get on his feet, but staggered and had to leave the game. Neale was led off the field.

The German report says the British attack on Zeppelins was a failure, which is probably the reason Berlin is removing the admiral in command of the port.—Detroit Free Press.

## GREATEST CROP IN MESOPOTAMIA SINCE DAY OF BELSHAZZAR

(By Associated Press.) WITH THE BRITISH ARMY IN MESOPOTAMIA, May 1.—(Correspondence of the Associated Press.)—The peaceful penetration of the Euphrates country from Fela to Hilleh began in April last year, a month after the British army entered Bagdad. Before the Turk was finally routed on the Tigris, Great Britain had begun to tap the resources of the Euphrates.

For months during the hot weather the roads from Hilleh and Musayib to Bagdad were obscured by the dust of camel and donkey convoys bringing in corn. Arab levies were raised to police the roads, villages and towns, and the country was cleared of bands of marauders. This year, owing to the success of the Euphrates irrigation scheme, the supplies from the Euphrates side will be enormously increased and the transport of the country will be hard put to it to bring in the grain. The British engineers have been at work on the irrigation scheme connected with the Hindieh barrage, or dam, which was finished before the war, but the Turk neglected to profit by it. The canalization work connected with it was left incomplete, and the area to be cultivated was never brought under irrigation.

The Euphrates divides at Hindieh into two branches, the Shatt-el-Hilleh to the east and the Shatt-el-Hindieh to the west, and the two channels of the river meet again a few miles above Samawa.

The function of the dam was to provide water for the Hilleh branch, which was filling with silt. This year nearly a hundred canals on the Hilleh branch which had fallen into disuse have been dug out, 300,000 acres have been brought under cultivation, and there is promise of the greatest harvest in the memory of man, possibly the greatest since the days of Nebuchadnezzar.

## CLEANING AND DYEING IS CHEAPER THAN BUYING

providing you send it to us

Otherwise you run the risk of having your work done by "back-room" cleaners who have neither the experience nor the facilities necessary. When you send it to us you are sure that only the best dyes will be used (the shortage of European dyes has not affected us). You are sure of the best possible workmanship—and the lowest possible prices.

Write our special Mail Order Department for price list and expert advice on your cleaning and dyeing problems. Remember—we pay return postage on all orders.
